The probation officer believes that the offender has violated the following condition(s) of supervision:

<u>Violation Number</u>	<u>Nature of Noncompliance</u>
-------------------------	--------------------------------

Supporting Evidence: Mr. Piel tested positive for the use of an illegal drug, specifically cocaine, on February 16, 2016.

On February 16, 2016, Mr. Piel submitted his initial drug test which returned presumptive positive for the use of cocaine. The specimen was later confirmed positive for the presence of cocaine by Alere Toxicology Services. Although Mr. Piel claimed his girlfriend spiked his drink with cocaine, he signed an admission/denial drug use form where he denied using the substance. Mr. Piel was offered the opportunity to address his chemical dependency issues by referring him for an assessment and follow up with recommended treatment but he denied having a drug problem.

The U.S. Probation Office respectfully recommends the Court issue a summons requiring the defendant to appear to answer to the allegations contained in this petition.
